BALANCE CUBE made of Swiss stone pine

CUBELO is a **BALANCE CUBE** made of Swiss stone pine, designed in Italy
CUBELO disperses a biological Swiss stone pine - essential oil, enriched by information of balance and harmony in the air and provides them to human body through respiration. The organism absorbs these informations through the skin and mucous membrane and transforms them into WELLBEING

CUBELO's benefits are **BALANCE** and **WELLBEING**

Swiss stone pine and its healing effect:

- reduces HRV (heart rate variability)
- facilitates sleep
- reduces stress
- strengthens the immunological system
- lightens temper
- calms the nervous system
- enhances concentration

Light and its healing effect:

- natural anti-depressive
- lightens temper
- creates a balanced atmosphere
- enhances healing processes
- has a balancing effect while hard working
- enhances the natural day/night regulation of our biological clock (day/night rhythm)

The coded glass bowl, CUBELO's heart

- increases performance
- helps to solve conflicts
- harmonising effect
- relaxing effect
- boosts gentleness and peacefulness

BALANCE CUBE made of Swiss stone pine

People in balance have a stronger immunological system, are more quiet, at peace, and last but not least joyful

IN A NATURAL WAY
